Pecha Kucha Night

Forget about dinner and a movie we have something even more special: dinner and a Pecha Kucha. A pecha-what?! Yes, that's right, a Pecha-Kucha.

In TESOL-SPAIN's commitment to "*Blending Tradition with Innovation* ", start the evening with perhaps a glass of Spain's well-known wine or maybe an ice cold Cruzcampo, carry on with some delicious traditional Spanish cuisine, and then ... Bang! We've got the innovative side for you ...

Join us for a Pecha Kucha Night (www.pecha-kucha.org).

Devised by Astrid Klein and Mark Dytham and conceived in 2003 to exhibit work in public, the key to Pecha Kucha Night is its patented system for avoiding the never ending power point presentation. Each presenter is allowed 20 images, each shown for 20 seconds each - giving 6 minutes 40 seconds of fame before the next presenter is up. This keeps presentations concise and the interest levels high.

Pecha Kucha, which is Japanese for the sound of conversation, has tapped into a demand for a forum in which creative work can be easily and informally shown. A demand that seems to have gone global. Pecha Kucha Night has spread virally to over 100 cities worldwide.

TESOL-SPAIN is excited to offer you the opportunity to partake.

Do join in on the conversation, but, remember, seating is limited.

See you there!!
