

ASPACE: A SPECIAL GUEST AT OUR CONVENTION

We are delighted to have the charity ASPACE Salamanca, dedicated since 1979 to meeting the needs of people with cerebral palsy and related pathologies as a special guest in this year's convention. ASPACE definitely represents everything embodied in this year's theme *Breaking Barriers: Make it happen, make it matter!* : Diversity, inclusion and equal opportunities for all students.

Following a kind invitation from Juan José García Fernández, Director of ASPACE Centres in Salamanca, Nora Kaplan, the Convention Coordinator, had the opportunity to visit their premises in Salamanca, and two of their schools in the nearby town of Villamayor. It was an incredible experience to meet the children, the young adults and their skilled and highly motivated teachers!
