

Angel_Anderson_Questionnaire

Your favourite website: I'm not much of an internaut, but qi.com keeps both students and I amused and amazed.

A gadget you can't live without: My camera.

Something you'd never throw away: My library.

Who or what inspires you? Great Art.

Useful teaching tool: My students.

Your favourite lesson: I don't really see a lesson as a single entity, but rather part of a whole. One of my favourites is watching my students write Shakespearian sonnets.

Your favourite bit about your talk: Hearing about how teachers have put it into practice afterwards.

A lesson you've learnt while teaching: Teenagers are great!
