

## EVENT INFORMATION

### What?

As a result, the present teacher training event will be a full day event. **Lunch and a shuttle bus service** from the venue to Atocha station in downtown Madrid and back **are included** in the course fees.

And, in order to kick off the 40<sup>th</sup> anniversary celebrations for 2017, the raffle will include 3 grants sponsored by TESOL-SPAIN: (1) **one year's free membership**, (2) **one free conference registration for 2017**, and (3) **one full grant to the 40<sup>th</sup> Annual Convention in Elche in 2017** (including membership, registration and 250€ for travel and accommodation).

### About?

The event theme, **Reflect, rethink, refocus: Sharing good practice**, invites us to reflect on the ways in which our profession has been developing and where it is heading. In this conference, presentations will focus on three main thematic strands:

**Bilingual teaching and CLIL:** Due to the relevance of the bilingual school project in the Comunidad de Madrid and the growing importance of teaching through English for the internationalization of institutions of higher learning, presentations covering assessment, scaffolding, teacher training, program planning and other areas related to CLIL are invited.

**Student-centered learning models:** The student is increasingly becoming the center of our classroom, and, as a result, innovative learning models are being put into practice to promote collaborative, project-based, or experiential learning. Presentations on how to apply these models in the language classroom are invited.

**Good classroom practice:** Under this strand, presenters should share examples of good classroom practice related to classroom management, teaching techniques, use of technology in the classroom, and materials development.

### About TESOL-SPAIN

**TESOL-SPAIN** was founded in 1977 as a small, independent, non-profit making Spanish association of English language teachers. Today it is a nation-wide organization with a membership that represents all sectors and regions of English language teaching in the country.

Through our regional structure, **TESOL-SPAIN** organises workshops and other events in different parts of the country throughout the academic year.

The **TESOL-SPAIN** monthly e-Newsletter keeps members informed about the latest trends and news in the field.
