

**Your favourite website:**

Youtube

**A gadget you can't live without:**

My cellphone

**Something you'd never throw away:**

Pictures, I love them, I still print them and make albums.

**Who or what inspires you?**

When I see students enjoying the classes and making progress, especially those who claim not to like the language

**Useful teaching tool:**

Media

**Your favourite lesson:**

Any lesson students enjoy and show progress

**Your favourite bit about your talk:**

When the video the effects of mass media on children and teenagers is shown and participants get to share their insights about it.

**A lesson you've learnt while teaching:**

If I smile to my students and create a positive environment, they feel better and work better.
