**Your favourite website: Impossible to choose only one in this day and age!
To name but a few:**

- **British Council LearnEnglish Teens**
- **TED Talks**
- **Pinterest**

A gadget you can't live without: My iPhone – it keeps me in touch with everyone and everything.

Something you'd never throw away: Postcards and letters from friends and relatives (when they were still a thing!)

Who or what inspires you? People who are passionate about what they do.

Useful teaching tool: YouTube.

Your favourite lesson: It has to be something powerful, like a video with music...I absolutely love teaching conditional forms with this 'No Regrets' video: <https://www.youtube.com/watch?v=R45HcYA8uRA>

Your favourite bit about your talk: Sharing tried and tested activities for some tricky phrasal verbs, which can be taken straight into the classroom.

A lesson you've learnt while teaching: Motivation is everything.
