

Your favourite website:

Many! *National Geographic Kids, Teacher Channel, the Guardian.*

A book you would recommend (fictional or ELT):

Any of Richard E. Mayer's work on multimedia and e-learning. His work provides sound guidance for multimedia users and teachers.

Something you'd never throw away:

Oh dear... only one?

Who or what inspires you?

Teachers who engage their learners and learners who are excited about learning.

The funniest email/whatsapp/message you've ever sent or received (Please keep it politically correct):

One favourite is #CuadrosDocentes. Masterpieces of art with captions written by teachers. Caption for this one: "Después de la quinta sesión de evaluación."

Your favourite lesson: *Exploring the Culture "C" with CLIL teachers.*

Your favourite bit about your talk: *Helping students to detect fake news.*

A lesson you've learnt while teaching:

It's been said before, but you always learn from your students.
