Who or what inspires you?

I'm inspired by my students and anyone who works hard to make their own way in the world.

Useful teaching tool:

Sticky Ball!

Your favourite lesson:

A lesson I do with teen students matching different styles of music to their place of origin. The kids really enjoy it and its fun to introduce them to new sounds and expand their worldview at the same time.

Your favourite bit about your talk:

Seeing the participants working things out in pairs/teams.

A lesson you've learnt while teaching:

We never know as much as we think or as little as we fear.
